

## Traffic Report: October 2023 & December 2023 - January 2024

Dear community members,

We are writing to share the traffic report collected from **14th Oct to 17th Dec** and **29th December 2023 to 17th January 2024**. The safety of our community is paramount, and we believe in keeping everyone informed about the traffic conditions around our schools and local areas.

### School Zones

During the period from **14<sup>th</sup> Oct to 17th Dec**, a total of **26,521 vehicles** were recorded passing by both schools. Regrettably, there were speeding violations recorded for **69%** of these vehicles. The maximum speed recorded during this period was **61 mph**. This is a serious violation of the speed limit.

### December - January Report: Nine Acres Lane

From **29th December 2023 to 17th January 2024**, a total of **4,040 vehicles** were recorded going downhill on Nine Acres Lane. Alarming, **59%** of these vehicles were recorded violating the speed limit, with the maximum speed being **43 mph**. The Speed Indicator Device (SID) is located just after the corner at the top of Nine Acre Lane, making this speed very dangerous indeed.

All data is from oncoming vehicles in the direction towards the SID.

---

We appreciate your cooperation in making our community safe. Let's work together to ensure the safety of all our community members.

### Activity updates

2 new speed watch signs

Forest Road & Woodstock Road

New Email Adress for anything speed watch.
