We have received £2,875 from the Councillor Priority Fund.

The Council now needs to approve the purchase of a Speed Indicator Device. The one that matches the funding is from <https://www.sidsigns.co.uk/>

Details are:

- Smiley/miserable face
- data collection facility using a USB drive
- Battery operation with solar assisted charging: 40ah battery 40w solar -40ah battery will supply 1 amp for 40 hours
- The speed display can be turned off but the data recording remains live so driver behaviour can be monitored.
- A Visualisation program is supplied which permits the data to be shown in graphical format.
- 2 male and female bracket systems which allow the sign to be easily moved from post to post.
- Warranty is a 2-year return to base
- Lead time 12-15 days
