For information See report below		
Summary of decisions or actions requested: Basic maintenance of lychgate		
Financial implications: [please explain any costs associated with decisions or actions, and whether these have already been budgeted for]		

Two matters to consider:

1. The lychgate is in need of repair. The gate itself is in reasonable condition but needs some repair. The supporting woodwork on both sides is rotting and should be replaced. This will need to be with a like-for-like style of thick dark wood. I've uploaded a pic of the worst part so that Lisa can maybe use it to get a quote.
2. I've reviewed the state of the overgrowth. I think we did a good job last time and we can leave it for the time being. In future I think we should hold working parties twice a year – once in late Spring and once in the Autumn. I will propose a date in May nearer the time.
