WORKS!**

Dear

Charlbury Community Works! is working to ensure that pavements are clear of weeds and overgrown trees/hedges so access for footpath users isn't impeded.

Householders' responsibilities under the Highways Act 1980 include keeping rights of way clear of overgrowth on their land (i.e. overgrown hedges, plants or tree branches across the path) and not obstructing the right of way.

We would be grateful if you could

Thank you in advance for your co-operation.
